Total Program Cost:	
Cost Approximately	CA \$5448.00
Cost Approximately	AZ/NV \$8760.00
<p>All students must provide for their expenses, including motels, meals, and transportation to and from the college and the various clinical sites. Therefore, the student must have reliable transportation to these sites and should budget for these expenses. (Students can carpool to clinical sites.) Contact the financial aid office for assistance with grants and waivers. Contact the foundation for scholarships. Traveling to other facilities is absolutely necessary.</p>
