

Pass/No Pass

Reference: Title 5, Section 55022

Course may be offered in either or both of the following categories:

- Courses in which all students are evaluated on a “pass-no pass” basis.
- Courses in which each student may elect on registration, or within time limits established by the District, to take the course on a “pass-no pass” basis.

A student electing to be evaluated on the “pass-no pass” basis will receive both course credit and unit credit upon satisfactory completion of the course. In computing a student’s grade-point average, grades of “pass-no pass” are omitted.

A pass grade is granted for performance that is equivalent to the letter grade of “C” or better. A student who fails to perform satisfactorily will be assigned a “no pass” grade.

The student is held responsible for all assignments and examinations required in the course. The standards of evaluation are identical for all students in the course.

UC and CSU do not accept Pass/No Pass, so it is important for the student to contact the transferring institution about the transferability of these courses.

A maximum of twelve units may be acquired in this matter. The student may choose whether the basis of evaluation is to be Pass/No Pass or a letter grade at registration, or no later than the end of the first 30% of the term. Students must complete a Pass/No Pass form and have it signed by a Counselor. The form may be obtained from the Office of Admissions and Records in Student Services.
