

**Reinstatement**

Reference: Education Code Sections 87744, 88128

Any regular employee whose services have been terminated as provided in Education Code Section 87743 shall have the preferred right to reappointment for the period of 39 months from the date of the termination.

Permanent classified employees may request reinstatement to a position in the same classification as that previously held, without further competitive examination, within 39 months following the effective date of a voluntary separation from service. If approved, all rights, benefits, and obligations of the classified service may be restored to said employee at the discretion of the district and in keeping with collective bargaining agreements.
