

Grants

Reference: Education Code Section 70902

Applications for special purpose grants shall be made with state, federal, and private agencies when the content of these applications extends the resources available to the District for implementation of approved long-range comprehensive plans for the District.

Project applications which require matching funds shall be submitted insofar as such matching funds are identifiable within the budgeted resources of the District and are related to the overall comprehensive development plan of the college.

The Board will be informed about all grant applications made and grants received by the District.

The Superintendent/President shall establish procedures to assure timely application and processing of grant applications and funds, and that the grants that are applied for directly support the purposes of the District.
