

Attendance

Reference: Title 5, Sections 58000 et seq.

Students are expected to attend all of their scheduled classes and laboratories on a regular basis, unless there is a compelling reason for their absence.

Excessive absences may result in the student receiving a failing grade. At the request of the Registrar and at the beginning of each semester, the Professors shall drop “no show” students any time after the first day that the class meets for face-to-face classes and by the 4th week of the semester for all other classes.
