ASSOCIATE IN SCIENCE DEGREE PLAN

CHILD DEVELOPMENT PROGRAM DESCRIPTION

The Associate in Science Degree is a program of study that generally leads to a specific occupational goal or may prepare the student for transfer. Some courses in such programs do not transfer all credit earned to a four-year college or university. Programs of study with specific course requirements are defined in the Palo Verde College 2013--2014 catalog. Please consult with a counselor for information regarding your intended major at the specific college or university of your choice.

A minimum of 60 degree-appropriate units, with a grade of C or better in all degree applicable coursework is required.

(For all Associate in Science (AS) Majors, all listed CORE courses are required.)
