LIMITATIONS ON ENROLLMENT

Palo Verde Community College District has a curriculum policy regarding prerequisites and co-requisites that limits enrollment in courses for students who do not meet the prerequisite or co-requisite requirements. For purposes of this policy, the following definitions apply.

- A. "Prerequisite" means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Students must pass the prerequisite course with a grade of "C" or better.
- B. "Co-requisite" means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

ADMISSIONS ELIGIBILITY

Admission to Palo Verde College is open to anyone who is a high school graduate, who possesses a GED certificate, or who holds a High School Equivalency Certificate. Those who are not high school graduates or do not have one of the equivalencies but are eighteen (18) years of age and show evidence of being able to benefit from instruction may attend the college. High school students in the 11th and 12th grades, with the recommendation of their high school principal, may attend. Those students below 11th grade may attend if they have parent consent and approval from their high school counselor or principal and the college governing board. Enrollment in some courses will be limited (some examples: classes are full, availability of equipment, safety regulations and enrollment in physical education courses not allowed).

The college admissions process requires that all high School students complete a special admissions request application. Students below 11th grade are also required to file a petition, stating the reasons why they should be enrolled in a college course. Once the application and the petition have been filed, a petitions committee will review the petition and forward a recommendation to the Vice President of Instruction and Student Services. The Vice President of Instruction and Student Services will forward a recommendation to the college president (or their designee). The president will then forward the recommendation to the governing board at the next scheduled board meeting asking for approval or disapproval of the student's request to enroll in college course(s). The student will be notified in writing of the board's decision within ten (10) working days following the board meeting. This process should be initiated at least two (2) weeks prior to the start of a semester to allow for processing time.

Students below 9th grade will only be admitted to credit courses under special circumstances.

NOTE: All courses are taught at college level and special admit students are expected to meet the same requirements and to be held to the same standards as all other college students in the

COURSE REPETITION

Course Repetition Definition

A "course repetition" occurs when a student attempts a course and receives an evaluative or non-evaluative symbol for the course (i.e. A, B, C, D, F, W, P/NP, RD, I) and wishes to enroll again in the same course. Course repetition includes the following components. (Title 5 Section 55040)

Course Repetition To Alleviate Substandard Work

A student who has earned a substandard grade (D, F, and NP) may repeat the course to improve the grade. A student may attempt a course a maximum of three times. To alleviate substandard work, a "course attempt" occurs when a student receives an evaluative or non-evaluative symbol for the course (D, F, W, or NP). All course attempts in a student's academic record count toward this enrollment limitation. The first or first and second substandard grades and units are excluded in computing the student's GPA. The grade and units for the third or final attempt are included in the student's GPA. (Title 5 Section 55042)

Course Repetition As A Result of a Withdrawal

A "W" counts as a course attempt. A student may attempt a course a maximum of three times. All course attempts in a student's academic record count toward this enrollment limitation.

1. A Student Earning A Satisfactory Grade May Not Enroll In The Same Course Again Unless One Of The Following Five Exception Applies

Significant Lapse of Time

A student may enroll for one additional attempt if he/she successfully completed the course and a significant lapse of time of more than 36 months has occurred since the student was awarded a grade in the course AND the district has established a recency prerequisite for the course or an institution of higher education to which the student seeks to transfer has established a recency requirement that applies to the course. (Example: Biology 110 was completed with a grade of C in Fall 2011. In Fall 2013 the student is preparing to apply to a nursing program that requires Biology 110 to be completed within the last three years. The student is eligible to repeat the course in Spring 2015 with documentation of the recency requirement.) The grade and units from the first course completion will be disregarded in computing the GPA. (Title 5 Section 55043)

2. Variable Unit Courses

A student may enroll in a variable unit course as many times as necessary to complete one time the entire curriculum and unit value of the course. However, a student may not repeat any portion of a variable unit course that has already be completed and evaluated. (Title 5 Section 55044)

3. Extenuating Circumstances

A student may enroll for one additional attempt only if documentable extenuating circumstances exist that match the dates of the course for the previous enrollment. Examples of extenuating circumstances are natural disaster, accident, illness, or other extraordinary documentable experience beyond the student's control. (Title 5 Section 55045)

Third, a student with a disability may repeat a special credit class for students with disabilities any number of times based on an individualized determination that such repetition is required as a disability-related accommodation for that particular student (for reasons specified in Title V Section 56029) (Title V 55041 (d))

Fourth, repetition of credit courses for which the grades awarded were at least in part, the result of extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student (student must file a petition). Grades awarded for courses repeated under this subdivision shall not be counted in calculating a student's grade point average. (Title V 55041 (e))

Fifth, the college may also require repetition of a credit course if the district determines that there has been a "significant lapse of time" (usually five or more years) since the student previously took the course. (Title V 55041 (f))

Sixth, students may repeat a variable credit course as many times as necessary to complete the entire curriculum of the course as described in the course outline of record. (However, students are not allowed to repeat any portion of the curriculum for the course unless they qualify for first, third or fourth reasons listed above). (Title V 55043)

REQUIRED GRADE POINT AVERAGE

To be graduated from Palo Verde College, a student must achieve at least a "C" (2.0) grade point average in all work attempted.

Policies and Regulations

WITHDRAWAL GRADES

<u>W-Withdrawal</u> A student may withdraw from any course or from the college with a "W" grade by the end of the 14th week (or 75% of a term, whichever is less) of the semester via <u>www.paloverde.edu</u>. After the 14th week, the student will be assigned a grade for the course. Students should consult the class schedule or counselor for the last day to withdraw from courses without responsibility for a grade. Any student requesting an extenuating circumstances waiver may obtain the form from the Admissions and Records office. This would allow the student to withdraw without penalty after the last withdrawal date. Extenuating circumstances are limited to verification of prolonged illnesses, accidents, or other circumstances beyond the control of the student. It is the responsibility of the student to provide documentation to support the petition.

WITHDRAWALS AND GRADE RESPONSIBILITY

Students are expected to plan their schedule carefully with the aid and approval of the advisor/counselor and endeavor to maintain that schedule throughout the semester.

Students are held accountable for every course for which they have registered and are responsible for their own class schedule and any changes made via PVCSERVICES (Web Advisor). Although faculty may drop students for non-attendance, students should not expect the faculty to drop them for non-attendance. It is the student's responsibility to formally withdraw from all coursework and take care of all financial obligations. If a student fails to drop or withdraw from a course by the established deadlines, the student will receive a final grade for that course. To assure transactions are correct, Palo Verde College recommends that students print out a class schedule after completing registration and/ or after adding or dropping a course. The designated student grade responsibility date shall occur at the 75 percent point of a semester or session. Students who do not withdraw by the deadline indicated in the class schedule will receive a grade of A, B, C, D, F, P, or NP. All grades become a part of the student's permanent record.

MILITARY CIRCUMSTANCES

Students called to military duty should notify instructors and make arrangements for completion of their course(s). Extenuating circumstances would permit instructors to allow an "incomplete". If an incomplete is an unfeasible solution, the student may be permitted to withdraw from class without penalty even after the final withdrawal date. Students must file the appropriate forms with the registrar prior to the military leave to avoid a failing grade.

ATTENDANCE

A student in a California public community college is expected to attend all sessions of each course. Failure to do so may result in a lower grade. Absence due to illness or strictly unavoidable circumstances may be excused if the cause is explained to the instructor. An absence excused or otherwise, in no way relieves the student of the responsibility for completing the work of the course to the satisfaction of the instructor.

ATTENDANCE AT FIRST CLASS MEETING

Students who do not attend the first class meeting may be dropped as a "no show." Students should not, however, assume they will be dropped. It is the student's responsibility to officially withdraw from a course through Admissions & Records or online at <u>www.paloverde.edu</u>. Refund and drop deadlines for courses are available online.

If a student is unable to attend the first class meeting, it is the student's responsibility to notify the instructor before that class meeting and request that the seat be held. The instructor is under no obligation to honor this request.

AUDITING COURSES

Auditing of courses is not permitted

ACADEMIC HONOR CODE

The faculty of Palo Verde College is committed to maintaining the highest ethical standards possible related to student academic performance in our online, correspondence, and face-to-face classes. We assume that students will pursue their studies with integrity and honesty. However, when students are caught cheating or plagiarizing, a process is begun which may result in severe consequences. Cheating is seeking credit for academic work through the use of dishonest, deceptive, or fraudulent means. Dishonesty consisting of cheating of any kind with respect to examination, course assignments, or illegal possession of examination papers, or any student helping another to cheat is subject to penalties. Any student who deliberately uses and appropriates another's work without identifying the source, passes off of such work as the student's own, or who fails to give full credit for ideas or materials taken from another, has plagiarized.

It is the responsibility of the student to know what constitutes academic dishonesty. If a student is unclear about a specific situation, he or she may speak to his or her instructor. Depending on the seriousness of the infraction, the student may:

- have his/her course grade lowered;
- receive a failing grade on the paper, test, or course;
- be placed on probation or suspension;
- be expelled.

In cases of cheating or plagiarism, the instructor may take academic action as outlined in the Due Process section of this catalog. This may range from loss of credit for a specific assignment, examination, or project, to removal from the course with a grade of "F". The instructor should initially seek to resolve the problem with the student to their mutual satisfaction. In addition, the instructor or student may also request action through the Discipline Hearing Committee and/or the Appeals Procedure, which will adjudicate on the basis of College policy. The Office of the Vice President of Instruction and Student Services will maintain a record of students who have engaged in academic dishonesty. For additional information, contact the Office of Student Services.

ACADEMIC HONESTY IN ONLINE AND CORRESPONDENCE COURSES

As a Palo Verde College student, when you are given access to The Bridge, our online course software, you are expected to keep confidential your username and password and to never allow anyone else to log in to your account. Sharing access or passwords to The Bridge is considered a breach of academic integrity and could result in you being removed from your class.

When you login to The Bridge, you do so with the understanding and agreement to produce your own work, to complete course activities yourself, and to take course exams, tests or quizzes without the assistance of others.

Allowing others to complete your course work or to take your quiz, test, and exams is considered cheating and could subject you to receiving an "F" for the course. In addition, this type of dishonesty can result in formal disciplinary action being taken against you by the college. Please take time to review the following policy on Student Conduct. If you have questions about your work in an online course, be sure to ask your instructor.

STUDENT CONDUCT/DISCIPLINARY PROCEDURES

Palo Verde Community College District, as a tax-supported institution, is committed to compliance with state and federal laws. As an institution of high education, the college is committed to providing an orderly environment conducive to student learning. When the conduct of students transcends the bounds of law or interferes with the normal processes of education, the college must take appropriate action. It is in this spirit and toward these ends that the following procedures have been developed.

It is the policy of Palo Verde Community College District that students, staff, and visitors, alike, be informed of the specific acts and types of behavior considered unacceptable and prohibited. Such acts or behaviors are regarded as just cause for counseling referrals and disciplinary and/or criminal charges, when appropriate.

Written documentation pertaining to the disciplinary actions will be kept in a confidential file locked in the office of the Vice President of Student Services.

PVCCD, BOARD POLICY 5500, ADMINSTRATIVE POLICY 5500-0, 5500-1

PRINCIPLES OF DISCIPLINE

College students are expected to assume responsibility for personal conduct appropriate to their age and maturity. In all cases, students must respect the authority of the instructors and such regulations as are necessary for the welfare of the college. Students who are unable to assume such responsibility may be subject to disciplinary action.

- 1. Palo Verde College is obliged to maintain order on campus, to ensure freedom of movement, and to take appropriate action against persons whose conduct is disruptive.
- 2. Palo Verde College is committed to the maintenance of its students' constitutional rights in all adopted policies and procedures.
- 3. Palo Verde College will restrict student conduct if any of the following conditions exist:
 - a. The benefits gained by the college and/or its students significantly outweigh the subsequent impairment of a student's constitutional rights of free access to higher education; and
 - b. The college has no alternatives at its disposal in restricting behaviors, which are subversive of the rights referred to above.
- 4. Palo Verde College views itself as the trustee of its students insofar as the students are involved with educational pursuits under the jurisdiction of the college.
- 5. Palo Verde College emphasizes the instructional and rehabilitation aspects of disciplinary action; the college will not involve itself in disciplinary action, which is only punitive.
- 6. A student charged with serious misconduct will be given a hearing consistent with procedural due process principles prior to taking any exclusion, suspension, and/or expulsion action. California Education Code, Section 66017.
- 7. An exception to this principle will be made by the Superintendent/President (or designee) when a student's continued presence on campus constitutes a clear and present danger to the student (himself or herself) or to others, college property, or to the orderly conduct of college business.
- 8. In instances where a student is a minor, by current legal definition, that student's parent(s) or guardian(s) shall have all of the rights and privileges guaranteed by the California Education Code, Sections 76031 and 76032 in all student disciplinary proceedings involving suspension or expulsion.

HEARING PROCEDURES

-3

Hearings are required when a student's action warrants a recommendation for suspension or expulsion or when a student has received two (2) prior disciplinary actions.

CLASSROOM-RELATED DISCIPLINARY PROCEDURES

Discipline will be applied when a student is charged with plagiarism, cheating, or disruptive behavior, and the faculty/staff member has reasonable proof or documentation, and/or the student admits said violation. The instructor/staff member will complete the Classroom-Related Discipline Form in duplicate, give a copy to the student, and send the original to the Vice President of Student Services. The instructor may select one or more of the following options:

- 1. Issue an oral or written notification and warn the student that further acts of this sort will result in additional disciplinary action.

- 3. Issue a failing grade for the course. If this option is selected the instructor must consult the Vice President of Student Services and Vice President of Instruction.

If a student does not agree with the disciplinary action taken, he/she may appeal the action by following the district's Hearing Procedures.

The student is encouraged to pursue course work and other college sponsored activities that will promote intellectual growth and personal development. In pursuing these goals, the students should be free of unfair and improper action by any member of the academic community.

Palo Verde College shall maintain a student grievance policy. The procedure whereby a student may file a grievance shall be specified in detail in the college catalog under the Complaint Procedures/Due Process section.

The grievance process and any forms needed to facilitate this process will be available in the offices of the Vice Presidents of Student Services, Administrative Services, and Instruction.

FERPA (FAMILY EDUCATION RIGHTS AND PRIVACY ACT)

Pursuant to the Family Education Rights and Privacy Act of 1974, family rights regarding student records were developed. The rights apply to all students and to the parents or legal guardians of students that are financially dependent upon them (financial dependency must be documented). Students may request an opportunity to inspect any and all official school records, files, and data related to them. If information in the file is inaccurate, misleading, or inappropriate, the student may request removal of the information or, if denied, include a statement disputing the material, which was challenged.

Other provisions of the federal law restrict the people who have access to the information in student records. However, school personnel with legitimate educational interest, schools of intended enrollment, specified federal and state educational administrators, or those who provide financial aid are entitled to access without student consent. Access may also be obtained without student consent pursuant to a court order.

The College policy regarding student records is available from the Admissions and Records Office in Student Services.

RELEASE OF STUDENT INFORMATION

Palo Verde College adheres to the policies of the Family Educational Rights and Privacy Act (FERPA) when establishing and maintaining student records. Although the college applies the provisions of FERPA in a strict manner, the law allows the college to release student directory information. Palo Verde College, based on FERPA regulations, designates as directory information the following: name, address, phone number, & electronic email address, date of birth, dates of attendance, enrollment status, and Degrees & awards received.

Degrees and awards received are published to recognize individual scholastic achievements. If a student attains scholastic honors or awards and does not wish public recognition, the student should notify the Registrar within ten (10) days.

Students have the opportunity to request that their directory information be maintained as confidential. The <u>Request</u> to <u>Prevent Disclosure of Directory Information</u> form is available on the Admissions & Records webpage. Contract the Admissions and Records Office for additional information at (760) 921-5356 or <u>admissions@paloverde.edu</u>.

Currently enrolled or former students have the right of access to all their own records maintained by the college.

HOW TO APPLY

SUBMIT THE FAFSA OR CADAA

FAFSA: Students who are US Citizens, permanent residents, or **eligible non-citizens** should complete the FAFSA. Beginning with the 2024-25 FAFSA, anyone who's required to provide information on the FAFSA form will need to create a **Federal Student Aid ID (FSA ID)** This includes the student and if applicable, the student's spouse, a biological/ adoptive parent, or parent's spouse (if remarried). All contributing individuals must provide *consent* to have information transferred onto the FAFSA form. If consent is not given, the FAFSA form will remain incomplete, and the student will be ineligible for federal student aid.

CADAA: Undocumented students, DACA recipients (valid/expired), U Visa holders, students with Temporary Protected Status (TPS) and who meet **AB 540 requirements** can complete the CA Dream Act Application. Students completing the **CADAA** must finalize eligibility for **AB 540** with their college – this important step allows students to pay in-state tuition and receive state financial aid. Students should work with their financial aid office to confirm eligibility and submit any necessary documentation to prove eligibility. The CA Dream Act Application is used to apply for state financial aid, like Cal Grant and the Middle Class Scholarship as well as institutional aid from colleges like the Blue and Gold Scholarship or the State University Grant (SUG). Information provided on the **CADAA** is not shared with the federal government and it is not used for immigration enforcement. CSAC will work to the fullest extent of the law to protect all students that share their information through the **CADAA**.

IMPORTANT: Information that is provided on the **FAFSA** and **CADAA** is used to determine a student's financial aid eligibility. Should a parent or spouse provide information on the **FAFSA** or **CADAA**, it does not make them financially responsible for the student's educational costs.

For more information: https://www.csac.ca.gov/how-apply

ELIGIBILITY

Palo Verde College offers a variety of financial aid programs. The Financial Aid Office is required to confirm your financial aid eligibility prior to awarding a student financial aid. Funds will not be disbursed until all conflicting items have been resolved.

Note: If your income has significantly changed from the data you input on your financial aid application (such as loss of job) or you have a special circumstance, please reach out to the Financial Aid Office as you may be eligible to request a professional judgment.

To confirm financial aid eligibility, a student:

- Be a U.S. citizen or eligible non-citizen for federal aid;
- Meet AB 540 criteria for state aid;
- Have a high school diploma, GED, pass the California Proficiency Exam, or pass an Ability to Benefit (ATB) test that has been approved by the U.S. Department of Education prior to July 1, 2012;
- Register with Selective Service (this applies to all males born after December 31, 1959, and are between the ages of 18-25). Students who believe that they are not required to be registered with Selective Service, need to contact the Selective Service Office at 1-847- 668-6888 for information regarding exemptions in order to receive a Student Status Information Letter. Students, still within the age range, must register online at <u>www.sss.gov</u>;
- Declare an educational goal at the Admissions and Records Office and take courses towards an Associate of Arts (AA) or Associate of Science (AS) degree, Certificate of Achievement, or a transfer program (approved by the Department of Education);

- Not owe a refund on any grant received at any institution or be in default on any educational student loan, such as the Perkins Loan or Stafford Loan; and
- Maintain Satisfactory Academic Progress (SAP) as described in the Financial Aid Office's Satisfactory Academic Progress requirements as listed in this catalog.
- Must be enrolled full-time status, 12 or more units, per semester to qualify all aid. If you enroll in fewer units, your financial aid will be adjusted based on your enrollment.
- Must attend the Fall and/or Spring semesters of the current academic year. Financial aid offered for the academic year will be divided between the two semesters. Changes in your enrollment will impact your financial aid eligibility.

Verification

The Financial Aid Office is required to verify and confirm your financial aid eligibility prior to awarding a student their financial aid package. In some cases, additional documents may be required before your eligibility for aid can be determined. This process is referred to as *Verification*.

TYPES OF FINANCIAL AID

Federal Programs:

Federal PELL (Title IV)

You should start by submitting a *Free Application for Federal Student Aid* (FAFSA®) form. Schools use the information on the FAFSA® form to determine your eligibility for a Pell Grant, and if so, how much you're eligible to receive. You will have to fill out the FAFSA form every year you're in school to stay eligible for federal student aid, including Pell Grant awards. Federal Pell Grants usually are awarded only to undergraduate students who display exceptional financial need and have not earned a bachelor's, graduate, or professional degree.

The amount you get, though, will depend on

- your <u>Expected Family Contribution</u> (2023-24 FAFSA form) or your <u>Student Aid Index</u> (2024-25 FAFSA form),
- the cost of attendance (determined by your school for your specific program),
- your status as a full-time or part-time student, and
- your plans to attend school for a full academic year or less.

In certain situations, an eligible student can receive up to 150 percent of his or her scheduled Pell Grant award for an award year. **Please note** that <u>you can receive the Federal Pell Grant for no more than 12 terms</u> full-time terms or the equivalent (roughly six years). You'll receive a notice if you're getting close to your limit. If you have any questions, contact the financial aid office.

In general, you must maintain enrollment in an undergraduate course of study at a nonforeign school to receive a Federal Pell Grant. Additionally, you will have to <u>fill out the FAFSA form</u> every year you're in school to stay eligible for federal student aid. Once you have earned a baccalaureate degree or your first professional degree or have used up all 12 terms of your eligibility, you are no longer eligible to receive a Federal Pell Grant.

Summer term is at the beginning of the end of the year for Palo Verde College

• Federal Supplemental Educational Opportunity Grant (FSEOG)

To get an FSEOG, you must fill out the <u>Free Application for Federal Student Aid (FAFSA®) form</u> so your college can determine how much financial need you have. The financial aid office will award FSEOGs to students that have the most financial need. You must maintain enrollment as an undergraduate student and must not have previously earned a bachelor's degree. Your eligibility for federal student aid, including the FSEOG, is determined by <u>completing the FAFSA form</u> on an annual basis. Your institution will award the FSEOG each year based on that eligibility and other factors at the college.

• Federal Work Study (FWS)

Federal Work-Study provides part-time jobs for undergraduate and graduate students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work and work related to the student's course of study.

FWS:

•

- Provides part-time employment while you are enrolled in school.
- Is available to undergraduate, graduate, and professional students with financial need.
- Is available to full-time or part-time students.
- Is administered by schools participating in the Federal Work-Study Program.

Your total work-study award depends on

- when you apply,
- your level of financial need, and
- your school's funding level.

The amount you earn can't exceed your total Federal Work-Study award. When assigning work hours, your employer or your school's financial aid office will consider your class schedule and your academic progress.

State Programs:

<u>California College Promise Grant (CCPG)</u>

The California College Promise Grant (CCPG) waives community college enrollment fees if you're eligible. Fill out the FAFSA or the California Dream Act application for additional financial aid to help with other costs of attendance (books, food, rent, etc.).

YOU SHOULD APPLY IF:

- You've lived in California for at least one year, or
- You've been determined a California resident homeless youth by the Financial Aid Office, or
- You're eligible for non-resident tuition as an AB 540 or AB 1899 student, or with a "T" or "U" visa.

WHAT YOU'LL NEED:

• Your or your parent's/guardian's tax information.

Summer term is at the beginning of the end of the year for Palo Verde College

• <u>Cal Grant (CSAC)</u>

A Cal Grant is money for college you don't have to pay back. To qualify, you must apply for the Free Application for Federal Student Aid (FAFSA) or CA Dream Act Application (CADAA) by the deadline and meet the eligibility and financial requirements as well as any minimum **GPA requirements**. Cal Grants can be used at any University of California, California State University or California Community College, as well as qualifying independent and career colleges or technical schools in California.

There are three kinds of Cal Grants — A, B and C — but you don't have to figure out which one to apply for. Your eligibility will be based on your FAFSA or CA Dream Act Application responses, your verified Cal Grant GPA, the type of California colleges you list on your FAFSA or CA Dream Act Application and whether you're a recent high school graduate.

Pell Grants are federal grants and Cal Grants are state grants. Both are for students with financial need. Some Cal Grants have a minimum GPA requirement while federal Pell Grants do not. You could qualify for both a Pell Grant and a Cal Grant.

To apply for a Pell Grant, you must submit the FAFSA. For the Cal Grant, you must submit both the <u>FAFSA</u> OR <u>CA Dream Act Application</u> and your verified <u>Cal Grant GPA</u> by the March 2 Cal Grant deadline.

- This program is administered by the Commission through an interagency agreement with the California Department of Social Services (CDSS).
- Chafee provides current or former California foster youth up to \$5,000 per year for education expenses at an eligible California or out of state college.
- Awards may be used for postsecondary education including career and technical training.

You only need to fill out the Chafee application once. Submitting multiple applications will delay the awarding process.

Visit the Chafee Grant for Foster Youth website for more information: https://chafee.csac.ca.gov/

Student Success Completion Grant (SSCG)

The Student Success Completion Grant is a financial aid program that helps you afford full-time enrollment so you can graduate, begin your career and start earning money sooner. If you're a current California community college student or are planning to enroll, you now have the opportunity to receive more financial aid as a full-time student.

Just complete the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (CADAA) and your financial aid office will determine your eligibility and automatically award you this grant. The FAFSA form and CADAA are available beginning October 1 each year. Be sure to complete the forms as soon as possible (but no later than the Sept. 2 Cal Grant deadline) to receive the most aid possible. If you've already completed the FAFSA or CADAA, your application form will be reviewed and you will receive the Student Success Completion Grant if you are eligible, so there is no need to re-apply.

This grant provides an additional annual award of up to \$2,596 per year if you take 12 - 14.99 units per semester, or up to \$8,000 if you take 15+ units per semester. So, you'll want to take at least 15 units per semester (about five classes) to receive the most money possible and earn your degree in two years.

You are eligible for the Student Success Completion Grant if you enroll full-time (12+ units per semester), apply for financial aid, and are awarded a Cal Grant B or C. To stay eligible for this grant you will need to maintain satisfactory academic performance including a 2.0 Grade Point Average (GPA) or higher. Contact the financial aid office at your college for more information.

PELL GRANT FACTS

To receive a Pell Grant at Palo Verde College you must have completed the FAFSA and have a completed student financial aid file. If you have not completed these steps, you will not receive your Pell grant disbursement on the scheduled dates. Pell Grants are disbursed over the entire academic year: one-half in the fall and one-half in the spring. Each semester there are two disbursements.

<u>You must</u> present a picture ID and your Social Security Card if you are picking up a physical check. If you forget to bring either ID, you will not be able to pick up your check. Please do not send another person to pick up your check, as they will not be permitted to do so.

Not every student receives the same amount of Pell Grant money. Your award depends on the calculated SAI (Student Aid Index) indicated on your SAR (Student Aid Report) and whether you live with parents or on your own. Your award also depends on the number of units in which you are enrolled. If you enroll in Correspondence courses, as opposed to regular courses, your financial aid could be drastically reduced. Also, if you withdraw, fail, or drop any number of units you are taking, your Pell grant disbursement will be adjusted/reduced. You must maintain satisfactory academic progress to receive the Federal Pell grant.

MAINTAINING ELIGIBILTY FOR FINANCIAL AID

What is Satisfactory Academic Progress (SAP)?

The Satisfactory Academic Progress (SAP) standards measure a student's progress toward degree completion using both qualitative (GPA) and quantitative (units completed compared to units attempted) methods. To be eligible for federal and state aid, students must maintain progress toward a degree, certificate, or transfer. The standards apply to all college coursework taken, regardless of whether financial aid was received or not, including coursework transferred from another institution. Academic progress is reviewed at the end of each semester when grades are available. Students who fail to meet the Standards for Satisfactory Academic Progress (SAP) will have their financial aid eligibility suspended.

Regulations require Palo Verde College to establish standards for evaluating Satisfactory Academic Progress (SAP). These standards measure qualitative and quantitative requirements and maximum timeframe for student's progress toward degree completion. To be eligible for financial aid, students must meet these standards. Failure to maintain these standards will result in suspension of the student's financial aid eligibility.

SAP Standards:

- 1. GPA (cumulative) Standard Maintain a cumulative GPA of 2.0 or above (qualitative)
- 2. Pace of Progress Standard Successfully complete a minimum of 67% of the total number of units attempted/ completed (quantitative); and
- **3.** Maximum Time Frame (MTF) Standard Students cannot exceed 150% of the established maximum time frame for their program of study. Students can <u>Not</u> exceed a maximum of 90 total units attempted/completed. *Example: The 150% of a program that requires 60 units for completion will have a maximum time frame of 90 units (60 \times 150\% = 90).*

Earned grades of A, B, C, and D are considered completed credits and are calculated in a student's cumulative grade point average (GPA). The grade CR and P are considered completed credits but do not count toward a student's grade point average (GPA). The grades I, IF, IP, NC, NP, W, EW or MW are not considered completed units but count toward a student's attempted credits for financial aid completion. Grade F is not considered a completed credit but counts in a student's cumulative grade point average (GPA) and the student's attempted credits for financial aid completion. Audit units or any zero-unit courses are not included in either the attempted or completed figures as these units are ineligible for financial aid. During the COVID-19 National Emergency, EW grades were not included in the satisfactory academic progress calculation as these were considered excused withdrawals due to COVID-19. Effective May 27, 2023, now that the COVID-19 National Emergency has ended, EW grades posted after May 27, 2023, will count towards satisfactory academic progress for financial aid purposes.

Failure to meet one or more of the SAP standards may affect whether or not you can continue to receive your aid.

What does my SAP status mean?

- Satisfactory Status SAP status for students meeting all SAP standards. Eligible for aid*.
- Warning Status SAP status for students who do NOT meet the SAP standards after a semester. Eligible for aid*.
- Suspension Status SAP status for students NOT meeting the SAP standards after a warning semester. <u>Not</u> eligible for aid.
- **Probation Status** SAP status for students with an approved SAP appeal and meeting SAP appeal contract. <u>Eligible for aid</u>*.

*Eligibility for aid is based on federal and state regulations. Students must meet these regulations in addition to meeting SAP standards.

What happens if I did not meet one or more of the SAP standards?

Students will be notified via their email account by the Financial Aid Office at the end of each term (Fall, Spring & Summer) once grades have been finalized and posted.

Students who failed Pace of Progress or GPA will have ONE **warning** semester*. Failure to improve after one semester of warning status will result in a **suspension** status. Students who fall into suspension status are NOT eligible to receive federal/state aid.

Students who **exceed 150%** of the established maximum time frame (**MTF**) for their program of study will automatically result in suspension status. Note, students who exceed their MTF will not have a warning semester.

*Please note, some students may be automatically suspended based on previous academic history.

How to appeal your Suspension status?

Reasons for discontinuing financial aid are as follows:

- failure to achieve satisfactory academic progress.
- proven willful fraud.
- completion of educational Goal.

Students requesting an exception to these policies or any students who have been denied financial aid, may appeal by following the procedures outlined below.

Students are required to submit a complete SAP appeal before the deadline of the term they are appealing for.

2024-2025 Deadline to Appeal:

- Fall 2024: November 29th, 2024 (*Friday*)
- Spring 2025: May 9th, 2025 (*Friday*)
- Summer 2025: July 17th, 2025 (*Thursday*)

A student requesting exceptions to these policies may appeal by following these procedures:

1. Obtain and complete a "Financial Aid SAP Appeal Form" from the Financial Aid Office in Student Services.

- 2. Make an appointment with a counselor to update your student educational plan (SEP) and include a copy of your appeal form's academic program.
- 3. Write a statement of appeal to the Financial Aid Board with the updated educational plan attached. Appealable items are as follows: Death in the family, personal injury/illness, or other extenuating circumstances (must all be documented).
- 4. A meeting of the Appeals Committee is scheduled.
- 5. The Appeals Committee will review the student's case and reach one of the following conclusions:
 - Approve appeal
 - Deny appeal, or
 - Table appeal for more information
- 6. The Financial Aid staff notifies the student in writing as to the final decision of the committee.
- 7. The right to appeal a second time is not allowed.

If the SAP appeal is APPROVED, the student will be placed on Financial Aid **probation** status for the approved semester. Students on probation status will be monitored at the end of each semester to ensure they are meeting the signed SAP appeal contract. Failure to meet contract will result in automatic suspension status.

Students who do not meet Pace of Progress and/or GPA may also reinstate themselves to Satisfactory status if they are meeting all the SAP standards.

Is there a limit on how many times I can appeal?

Yes. Students can complete the SAP appeal once per lifetime at Palo Verde College.

May I receive financial aid for non-degree applicable and repeated courses?

Yes, up to 30 units of non-degree/remedial courses can qualify for federal financial aid. You may also be paid for any repeated class (one time) if you previously passed ('D' or better).

May I receive financial aid for classes not needed for my program of study?

No. Financial aid is intended to fund your program of study, including any preparatory courses needed.

Satisfactory Academic Progress (SAP) vs Academic Standards

Satisfactory Academic Progress (SAP) is a policy specific to the Financial Aid Office that follows federal laws and is tied to a student's eligibility to receive federal and/or state financial aid. However, students attending Palo Verde College are required to follow the school's academic standards, as outlined in the school catalog.

Overpayment Recovery

The Financial Aid Office will determine the amount of federal financial aid a student has earned in accordance with federal law. Recipients of federal programs are subject to the Return of Title IV Funds (R2T4) requirements. Students who receive federal financial aid and do not attend any classes will be required to repay all of the funds they have received within 30 days of being notified. If students do not repay within the 30-day requirements, the student will not be able to enroll for courses until the funds are paid in full.

Withdrawal and Return to Title IV (R2T4)

In accordance with federal regulations, students that receive federal financial aid and withdraw from classes for the semester may be required to repay any unearned grant funds that they have received. If a student drops from or withdrawals from a portion of their classes an adjustment may need to be made to the student's subsequent disbursements or the student may be required to repay a portion or the entire grant(s) that were received. The amount will be calculated using the formula specified by the federal government. Funds are returned to the appropriate federal program based on the percentage of unearned aid using the Federal formula. All calculations are based upon the withdrawal date as determined by the Admissions and Records Office.

Official Withdrawal

The date the student notifies the school of his/her intent to withdraw.

Unofficial Withdrawal

The last date of recorded attendance as documented by the institution or the midpoint of the payment period.

The Return to Title IV calculation is performed to determine any amount the Institution may owe, and/or the student; as well as any required offer of a post withdrawal disbursement. If the student owes any money or if the student is entitled to additional funds, the appropriate letters are sent to the student (one indicating the amount of funds they need to return and the timeframe and manner in which to do so; or one offering them a "post withdrawal" disbursement). The calculations and the letters are sent within 30 days of the date the institution's determination that the student withdrew.

Order of Return

The order of return is as prescribed by Federal Regulations:

- Federal Pell Grants
- Federal Supplemental Educational Opportunity Grant (FSEOG)

Post Withdrawal Disbursement (PWD)

If you did not receive all the funds that you earned, you may be due a post withdrawal disbursement. This means that you are eligible for financial aid that you have not received. Students are notified within 30 days of their withdrawal date of their eligibility for a PWD and a disbursement will happen within 45 days.

Student Owes Funds

If the R2T4 Calculation determines that a student owes money, the student will be notified by mail that repayment needs to be made. The student may return the funds by submitting full and immediate repayment to the Business Office.

If the student fails to take one of the positive actions listed above during the 30-day period, the overpayment will be reported to NSLDS and may be referred to the U.S. Department of Education's Borrower Services for collection. A student that has been referred to the U.S. Department of Education's Borrower Services, can reach the U.S. Department of Education's Borrower Services at the following number 1-800-621-3115.
