## Fall Basket Raffle

*Russi Egan was the winner of the ASG's Fall Basket Raffle! Thank you to all who bought a ticket and supported the Palo Verde College's ASG! The Fall Basket Raffle raised \$128 to go towards Scholarships and Student Events!*

## Astronomy Club Event

The Astronomy Club held an educational presentation on November 14th. The presentation was to provide information as to how technology and astronomy work hand and hand. The event was well received by the students and community. We would like to thank all of the individuals who attended this educational presentation.

## Welcome Back Event

ASG is hosting their annual Welcome back event in January by giving away pepper bellies! Bring your appetite to the ASG Room and participate on January 31 from 10am-12pm in CS 133.

## First ASG Meeting

Our first ASG meeting of the Spring semester will be held on January 24th at 11 a.m. in CS 133 and every Tuesday after that. All students are welcome to attend our meetings and to participate in the planning and implementing of ASG Events.

## Finals Week Tips

**Tip #1 College finals are NOT the same as high school finals.** In high school it was usually possible to get by with a minimum amount of studying. Finals were still important, but they didn't have as great of an effect on your overall grade

### Tip #2 – Start early

Begin making yourself a study tool, like a study guide, flashcards, or practice problems a week or two in advance. If you're anything like me, you are not in the mood to sit down and concentrate after spending time making a study guide

### Tip #3 – Give yourself a break.

Studying for long periods can be tiring and requires a lot of concentration.

### Tip #4 – Remove all distractions.

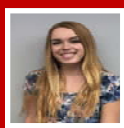

Silence or turn off your cell phone, turn off the TV, and resist the temptation to get on Facebook, Twitter, etc. If Facebook/Twitter is a serious problem, you could have a trusted friend change your passwords so it's not possible to get online.
