Blood Drive

Palo Verde College ASG will be hosting a Blood Drive on **September 13, 2018** in the Student Activities Center **CS 133 from 9 am -4 pm.** [Here are some interesting facts about donating blood:](#)

1. One pint of blood can save up to three lives.
2. A single donation can take about one hour or less. *The time it saves for our local patients however, is priceless.*
3. Type O negative blood is universal: There are four major blood types: A, B, AB, and O. *Every blood type is always needed.*
4. Blood is rigorously tested before use: Before a blood transfusion, it must be tested for infectious diseases and viruses.

Week of Welcome

We were elated to welcome all students back to school! We had a wonderful time seeing so many student in the Activities Center! Our daily events filled the room with chatter and life. We began with movies & popcorn, goodies and games, a scavenger hunt with PVC Swag Bags, and ended the week with T-shirts raffles and root beer floats. We invite all students to our ASG meetings to inquire about upcoming events, clubs to join, or questions about campus life. Our meetings are held Every Tuesday at 11 a.m. in Room CS 133 (ASG Activities Center)! ***DON'T FORGET*** to purchase your ASG ID Cards to check out equipment in the ASG Activities Center, these cards also offer discounts around town!

International Update Your Resume Month

Keeping your resume up to date is a good habit to have. The Month in September marks our calendars to remind us to freshen them up with all our latest skills and achievements. Whether you climb the corporate ladder, are currently pounding the pavement or are seeking advancement beyond your current position, polishing your resume with your most recent accomplishments and acquired knowledge will keep talent seekers aware of your abilities. Look at the last year's goals and accomplishments. Make those advancements and changes to your resume.

Childhood Cancer Awareness Month

Families, caregivers, charities and research groups across the United States observe September as Childhood Cancer Awareness Month. In the U.S., 15,780 children under the age of 21 are diagnosed with cancer every year; approximately 1/4 of them will not survive the disease. A diagnosis turns the lives of the entire family upside down. The objective of Childhood Cancer Awareness Month is to put a spotlight on the types of cancer that largely affect children, survivorship issues, and – importantly – to help raise funds for research and family support.

Hispanic Heritage Month

Hispanic Heritage Month is an official celebration of American citizens whose ancestry can be traced back to Spain, Mexico, Central and South America and the Caribbean. It pays tribute to the generations of Hispanic Americans who have positively influenced and enriched our nation and society. The festival lasts from September 15

to October 15. The celebration starts in the middle of the month, as opposed to the end, because the 15th marks the independence days of five Latin America countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. Mexico, Chile, and Belize follow shortly after, on the 16th, 18th and 21st.

International Talk Like a Pirate Day

International Talk Like a Pirate Day was founded by John Baur and Mark Summers (aka Ol' Chumbucket and Cap'n Slappy) in 1995. It was June 6, 1995, and there was a group of men playing racquetball, and throughout they were shouting encouragement to each other. On this particular day, for reasons unbeknownst to them, they started shouting piratical slang at each other. From there it just kind of took on a life of its own, and they realized by the end of the game that it was necessary that they establish a holiday to celebrate that encouraged the use of such a fine vernacular. As you are out and about on September 19th, don't be surprised if people are saying, "Ahoy Matie,"

"Avast," "Aye, Aye Capt'n," "Land ho!" and many other pirate-like phrases!

Constitution Day

Constitution Day (or Citizenship Day) is an American federal observance that recognizes the adoption of the United States Constitution and those who have become U.S. Citizens. It is observed on September 17, 2018, the day in 1787 that delegates to the Constitutional Convention signed the document in Philadelphia.

Laptop Drawing

On August 30, 2018 Acer laptops were raffled to 30 individuals at both, Palo Verde College and Needles campuses. Every year the Foundation awards laptops to qualifying students. Pictured below are the students who were present, along with the Foundation and
