

**CAPCA DESERT VALLEYS CHAPTER
SCHOLARSHIP INFORMATION**

Each year the Desert Valleys Chapter of the California Agriculture Pest Control Advisors Association (CAPCA) awards two scholarships to deserving students who reside in the desert areas of Southern California and/or Western Arizona. The Desert Valleys Chapter includes members from Coachella, Imperial, Bard and Blythe Valleys of California, as well as the Yuma, Gila, Dome, Wellton-Mohawk and Parker Valleys of Arizona.

One \$2,000 scholarship is specifically for a graduating senior high school student and who has an interest in the field of agriculture including agronomy, entomology, soils, or related fields with the objective of a career in pest management, agronomy, plant breeding or farming.

One \$2,000 scholarship is specifically for a college student who has an interest in the field of agriculture including agronomy, entomology, soils, or related fields with the objective of a career in pest management, agronomy, plant breeding or farming.

Your application must be filled out and postmarked by May 2nd, 2016. Complete the application in full, attach your transcripts and mail to:
