

Child Development, A.S.

The Child Development program is designed for students who are interested in working with young children as preschool teachers, daycare providers, and/or other child development careers. The Child Development program provides students with a background of knowledge and skills in child growth and development.

All required courses for this major must be completed with a grade of "C" or better.

This program meets the course requirements for the Child Development A.S. Degree. This program also meets course requirements for the State of California Child Development Permits. See your instructor or visit the website: www.childdevelopment.org for information regarding work experience requirements for Permits.

A minimum of twenty-seven (27) units is required for the program.
