## **PVC Career Leadership and Mentorship Program**

This 12-month program is designed to assist students in discovering interests and motivation that will help students become successful leaders. The leadership/mentorship program drives the personal and professional development of students through their mentor. Throughout the process each student will be paired with a chosen mentor from the community based on the students' educational goals, they will learn their interests as well as identify challenges and obstacles they could potentially face along the way. Interested students should plan on spending 30 hours each month as a part of this program; 10 hours for leadership training, 10 hours engaging with career exploration, and 10 hours with a mentor.
