

PALO VERDE COLLEGE

WHERE KNOWLEDGE TAKES ROOT AND OPPORTUNITY GROWS

Phlebotomy Program Entry Requirements

Admission to the Palo Verde College Phlebotomy Program requires that students meet all college admission requirements and the following:

1. Provide an official high school completion transcript or an official graduation equivalency exam (GED) transcript.
2. Provide documentation of three college-level biology courses.
3. If applicable, submit a non-U.S. transcript evaluation confirming U.S. high-school equivalency.
4. Commit to the clinical training requirements, agreeing to complete all required clinical hours during the program's second semester.
5. Complete all clinical training provider requirements, including vaccinations, TB testing, and proof of malpractice insurance.
6. Follow the dress code/attire requirements of all clinical facilities where training will take place.
7. Successfully complete a background check and drug test through CastleBranch.

Important Notes:

- The application process for the Certified Phlebotomy Technician (CPT) license through the California Department of Public Health (CDPH) requires disclosure of any past felony convictions.
- Transportation to and from clinical sites is the student's responsibility and is required to complete the course.
