

PALO VERDE COLLEGE

WHERE KNOWLEDGE TAKES ROOT AND OPPORTUNITY GROWS

The 2025-01 RFP Energy Master Plan Review Committee—comprised of Mario Hale, Director of Facilities and Operations; Crystal Tautala, Academic Achievement Center/Title V Project Director; and James Thomas Director of Fiscal Services—met on Friday, February 6, 2026, at 11:00am to open, review, and score all submitted RFPs. One RFP was submitted by ClimaTech. After review and scoring, the committee issued an average score of 184.6 out of 200 possible points and voted unanimously (3–0) to move forward with recommending approval of the RFP.

All Submissions were prequalified and met the requirements for submissions on this Project.

NAME OF COMPANY	RANK
Climatec A Bosch Company	1

Construction Costs will be based on the Energy assessment conducted by Climatec.
