

Palo Verde College

Program Outline Report

Program Basics

Program Title:	Welding Applications Certificate of Career Preparation
Program Status:	Active from 2021-22 Summer (2022SU)
Department:	Welding
Award Type:	Certificate of Career Preparation (Credit)
Program/Catalog Description	The Certificate of Career Preparation in Welding Applications provides entry level skills in the welding field. The program provides in-depth training in welding methods currently used in the welding fabrication industry. Preparation for employment in the welding industry, with upgrading and specialization skills for those currently employed will be stressed. Course-work includes a comprehensive study with an emphasis on application of fundamental welding techniques and industry practices.
Control Number:	No value
Credential ID:	No value
Transferability:	No value
(SP01) Program TOP Code:	0956.50
(SP01) Program TOP Code:	Welding Technology
(SP02) Student Program Award:	Certificate requiring 6 to fewer than 18 semester units (not approved by Chancellor's Office)
Maximum Credits:	12
Minimum Credits:	12
Curriculum Committee Approval Date:	04/14/2022
Board of Trustees Approval Date:	05/10/2022
External Review Approval Date:	05/10/2022

Proposal Details

Proposal Start:	2021-22 Summer (2022SU)
What changes have been made to the program:	No value
Program Justification:	No value

Submission Rationale

- New Program

Program Requirements

Required Courses (Total 12)
Complete all of the following

WEL200 - Advanced Gas Metal Arc Welding	3
WEL201 - Advanced Gas Tungsten Arc Welding	3
WEL202 - Advanced Oxyacetylene Gas Welding	3
WEL203 - Consolidated Welding	3

Recommended Sequences

New Sequence

Term 1 (Total 3)

Required Courses (Total 3)
Take one of the following

WEL200 - Advanced Gas Metal Arc Welding	3
WEL201 - Advanced Gas Tungsten Arc Welding	3

Term 2 (Total 3)

Required Courses (Total 3)
Take one of the following

WEL202 - Advanced Oxyacetylene Gas Welding	3
WEL203 - Consolidated Welding	3

Program Outcomes

Welding Applications Certificate of Career Preparation

PSLO	Performance
Demonstrate the ability to produce welds in the flat, horizontal, vertical, and overhead weld positions.	70

Program Narrative

Narrative Item 1. Program Goals and Objectives

The Welding Technology program provides students with a basic background in welding, construction, and fabrication. Students will find employment in the broad spectrum of opportunities available in the welding industry. The program also provides continuing education for those already employed as welders and to other professions related to welding technology.

Narrative Item 2. Catalog Description

The Certificate of Career Preparation in Welding Applications provides entry level skills in the welding field. The program provides in-depth training in welding methods currently used in the welding fabrication industry. Preparation for employment in the welding industry, with upgrading and specialization skills for those currently employed will be stressed. Course-work includes a comprehensive study with an emphasis on application of fundamental welding techniques and industry practices.

Narrative Item 3. Program Requirements

<u>Course Number</u>		<u>Course Titles</u>	<u>Units</u>		
		REQUIRED COURSES	Required	Pending	Completed
WEL	200	Advanced Gas Metal Arc Welding	3		
WEL	201	Advanced Gas Tungsten Arc Welding	3		
WEL	202	Advanced Oxyacetylene Gas Welding	3		
WEL	203	Consolidated Welding	3		
		Total Required	12		

<u>Course Number</u>		<u>Course Titles</u>	
		REQUIRED COURSES	Term
WEL	200	Advanced Gas Metal Arc Welding	Term 1
WEL	201	Advanced Gas Tungsten Arc Welding	Term 1
WEL	202	Advanced Oxyacetylene Gas Welding	Term 2
WEL	203	Consolidated Welding	Term 2

Narrative Item 4. Master Planning (Not needed for Certificates of Career Preparation)

This certificate program fits in to the college mission by allowing students to complete all 4 courses in 1 year. This certificate has been designed so that it can be latticed and stacked with other certificates for students pursuing the AS degree in welding.

Narrative Item 5. Enrollment and Completer Projections (Not needed for Certificates of Career Preparation)

(15) students are expected to complete this certificate each year, based on current and past enrollment.

Narrative Item 6. Place of Program in Curriculum/Similar Programs (Not needed for Certificates of Career Preparation)

This certificate fits into the existing welding program by allowing students the opportunity to complete the certificate in 1 year's time, which will help with student retention in the WEL program.

Narrative Item 7. Similar Programs at Other Colleges in Service Area (Not needed for Certificates of Career Preparation)

The following community colleges in our service area offer welding programs: Imperial Valley College and College of the Desert. Based on Palo Verde College's remote location and industry growth requiring welding in our community, Palo Verde College will bridge the gap by providing new courses and programs that will lead to High Skill - High Demand training and possible employment.
